Thank you to LynnAnn Babuk for pointed pen instruction and the provision of nibs for our class tonight.

The executive is meeting for a very short meeting (after this meeting @ Tim Hortons) to discuss some ONE day workshops in Feb., March, and April of 2018. Please join us or give your suggestions to any member of the executive.

\*\*\*For Learn to Letter you will need ink, a nib holder and a pointed nib, (Nikko G, Brause ef66, or Hunt School USA). The Paint Spot have many options and we will have a limited number for sale...nib and holder for \$5. Paper will be provided.

Remember to bring your work in progress if you would like to use this as Open Studio time.
